INSTANT UPGRADE.

The 2018 Malibu moves your world forward. With its perfect mix of bold design, ingenious technology and impressive features, Malibu is ready to surpass all your expectations.

Outstanding fuel efficiency can keep you going with fewer stops in between. And available advanced safety technologies can assist in keeping you informed and help you prevent a potential collision. Connectivity is personalized with available support for Apple CarPlay™ and Android Auto™ that provides a simple and smart way to use some of your compatible phone’s features.

Isn’t it time to take every drive to a higher level? Malibu is “simply excellent,” says Automobile.
Malibu Premier in Iridescent Pearl Tricoat (extra-cost colour) with available features.

EXTERIOR DESIGN

DYNAMIC LINES SET THE CLASS CURVE. Make a confident first impression, with an exterior appearance that is agile and dynamic yet refined. The combination of expressive, bold shapes and sculpted surfaces commands attention.

AERODYNAMIC DESIGN. To achieve strong aerodynamic efficiency, our design team paid special attention to the mirrors, headlamps and deck lid — all providing Malibu beautifully sculpted lines that give the wind little to hold on to.

CHECK YOUR PULSE. Low, elongated proportions give Malibu a dramatic profile. The windswept shape provides the look of constant motion. Malibu is equally impressive on the inside, where you’ll find considerable interior space.
1. ENJOY A BRIGHT OUTLOOK. Stunningly slim headlamps contribute to a modern look and feel while offering outstanding visibility. LT, Hybrid and Premier feature standard LED daytime running lamps.

2. MOVE BOLDLY. These 19-in. aluminum wheels, available on Premier, were designed specifically to complement the athletic exterior lines.

3. ENHANCED DEFINITION. More than 150 hours of wind tunnel testing resulted in a number of enhancements, including sculpted exterior mirrors that help bring you an unexpectedly quiet ride.

4. THE ART OF A MEMORABLE EXIT. An integrated spoiler on the rear deck lid helps direct airflow smoothly and efficiently away from Malibu.
**INTERIOR DESIGN**

Malibu Premier interior with Loft Brown perforated leather-appointed seating and Dark Atmosphere accents.

"Named Best Midsize Car for Families" — 2017 Malibu!  
— U.S. News & World Report

**MAKE YOURSELF COMFORTABLE.**
Whether you are driving across town or across the country, the seats in Malibu are contoured for optimal comfort and support. The 8-way power driver seat, standard on LT, Hybrid and Premier, puts you in complete control of your comfort.

**UNCOMMON ACCOMMODATIONS.**
Satin chrome is generously displayed throughout the Malibu cabin to enhance sophistication and help eliminate glare. Soft touch components exude an impressive level of quality.

**EVERY SEAT, FIRST-CLASS.**
Rear-seat passengers were kept top of mind in Malibu. That’s why the design includes generous rear-seat legroom and rear doors that open wide to help make entry and exit easier.

**DON’T FORGET YOUR LAPTOP.**
Or anything else in the back seat. Rear Seat Reminder² activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine under certain conditions, you will get a reminder to double-check for valuables left behind.

**ENJOY A WARM WELCOME.**
Premier features heated front seats, a heated steering wheel to chase away the chill and ventilated front seats to keep you cool when things heat up.

**A QUIET SANCTUARY.**
An acoustic-laminated windshield,³ a custom dash panel with strategic applications of laminated steel, and triple-sealed doors are just a few of the features that help keep the outside world where it belongs.

---

¹ View U.S. News & World Report at cars.usnews.com. ² Does not detect people or items. Always check rear seat before exiting. ³ Not included with Malibu L.
TECHNOLOGY

1. myChevrolet™ MOBILE APP!
Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can set parking reminders, start or turn off the engine; lock/unlock the doors; send destinations to your available navigation system (if equipped), view key vehicle diagnostic information and more.

2. BETTER DRIVING HABITS.
Perfect for new drivers, available Teen Driver technology helps encourage better driving habits in a number of ways, like providing an in-vehicle report card that monitors the frequency of available safety tech features (if equipped) activated, muting the audio system when front-seat occupants aren’t wearing their safety belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

3. MORE THAN A PRETTY FACE.
With available Apple CarPlay™ compatibility, you can simply and smartly connect with some of your favourite compatible iPhone® features, including Phone, Music, Maps and Messages, right on your vehicle’s display. You can even interact with some of your favourite audio apps.

4. STAY CHARGED UP. Conveniently charge your compatible cell phone with the available wireless charging station.

1 Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required.
2 Services vary by model, conditions as well as geographical and technical restrictions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system.
4 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.
5 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details.
EASY ACCESS TO YOUR SMARTPHONE. You can quickly and intuitively interact with select smartphone apps with support for available Android Auto.™ This system takes some of your compatible Android™ phone’s features and puts them on the available Chevrolet MyLink® display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

MYLINK. YOUR WAY. Available Chevrolet MyLink® lets you arrange icons and features on the 7-in. diagonal (LS) or 8-in. diagonal (LT, Hybrid and Premier) colour touch-screen, much like you would with a smartphone or tablet. The screen is tilted up to aid visibility and help prevent screen glare.

SHOP YOUR APPS. Easily browse, select and install apps that enhance your driving experience so it gets better every day. Using your vehicle’s available touch-screen, you can access Chevrolet Shop™ to customize your content.

WI-FI IN YOUR MALIBU. Chevrolet offers OnStar® 4G LTE with built-in Wi-Fi® hotspot (a 3 GB or 3-month trial period is included, whichever comes first). This technology provides the ability to seamlessly connect up to seven compatible devices and your vehicle to the Internet. It provides a great in-vehicle experience with a reliable connection.

1 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply.
2 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 3 Visit chevrolet.ca for details about Chevrolet Shop. 4 Visit onstar.ca for vehicle availability. Services and connectivity vary by model, conditions as well as geographical and technical restrictions. Requires active OnStar service and data plan. Data plans provided by AT&T or its local service provider.
SAFETY STARTS WITH YOU. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for important feature limitations and information.

“★★★★★” OVERALL VEHICLE SCORE FOR SAFETY!
— U.S. NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA)

1 U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.SaferCar.gov).
ADAPTIVE CRUISE CONTROL. This available feature on Premier maintains your selected cruise speed and following-gap distance, automatically braking when necessary in stop-and-go traffic.

AVAILABLE FRONT PEDESTRIAN BRAKING. At speeds up to 80 km/h, a forward-looking camera surveys the road ahead, flashing a warning signal and a series of eight beeps when the vehicle is approaching a pedestrian ahead too fast. If necessary, the available system will even automatically apply last-second braking to help reduce the collision’s severity or avoid the collision at low speeds.

FORWARD AUTOMATIC BRAKING. Available on Premier, Forward Automatic Braking helps mitigate collisions or even prevent them at low speeds. The system alerts the driver if a detected vehicle slows unexpectedly.

LOW SPEED FORWARD AUTOMATIC BRAKING. Camera-based Low Speed Forward Automatic Braking helps prevent or mitigate collisions at speeds below 80 km/h. Standard on Hybrid and available on LT and Premier.

FORWARD COLLISION ALERT. This available feature helps identify vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Malibu is following a detected vehicle much too closely.

AVAILABLE LANE KEEP ASSIST WITH LANE DEPARTURE WARNING. At speeds above 60 km/h, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

AVAILABLE LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT. Radar sensors in the rear corners of the vehicle help detect fast-approaching vehicles in the adjacent lanes as well as vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle’s presence.

REAR VISION CAMERA. Standard on Malibu LS, LT, Hybrid and Premier, the rear vision camera displays a view of the area immediately behind the vehicle on the touch-screen — making it easier to see what’s behind you while backing up.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as Lane Change Alert, this available feature alerts you to crossing traffic behind your Malibu when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

AVAILABLE FRONT AND REAR PARK ASSIST. Ideal when pulling into a parking spot at low speeds, this available system senses stationary objects and warns you if an object is too close. The rear vision camera automatically displays a live image of the area behind the vehicle on the available Chevrolet MyLink screen after you shift into Reverse.

AUTOMATIC PARKING ASSIST. This ingenious available system enables Malibu Premier to detect viable parking spaces, determine approach angles and take over the steering to neatly manoeuvre into an available space. Throttle, brake and transmission (or gear selection) input is still required by the driver, but the vehicle steers itself into any suitably sized reverse parallel or reverse right-angle (90-degree) parking spot.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.
Malibu Hybrid in Silver Ice Metallic with available features.

**MALIBU HYBRID**

**4.8 L/100 KM CITY**

**1.8L 2-MODE HYBRID 4-CYLINDER ENGINE**

**EXCELLENT EFFICIENCY**

Malibu Hybrid takes fuel efficiency farther.

**PROVEN HYBRID TECHNOLOGY.**

Leveraging components from the Chevrolet Volt, Malibu Hybrid is powered by a direct injected 1.8L 4-cylinder engine mated to a two-motor electric drive unit. The drive unit provides additional energy to assist the engine for a total of 182 horsepower (136 kW).

**THE MOST FUEL-EFFICIENT MALIBU.**

Malibu Hybrid has fuel efficiency ratings that might have you look twice. The highway fuel consumption rating is 5.5 L/100 km and the city fuel consumption rating is just 4.8 L/100 km; pretty interesting indeed.

**LITHIUM-ION BATTERY PACK.**

An 80-cell, 1.5 kWh lithium-ion battery pack provides electric power to the hybrid system that can propel Malibu Hybrid to speeds over 80 km/h with electricity alone. The gasoline-powered engine automatically comes on with higher loads, at higher speeds or to assist in cabin heating.

**ADVANCED REGENERATIVE BRAKING.**

Malibu Hybrid features a regenerative braking system that provides energy recovery during braking to help maintain charge.

**STRONG, SLEEK, SENSATIONAL.**

Electric grille shutters enhance aerodynamic efficiency at highway speeds, and Active Noise Cancellation contributes to the impressively quiet ride.

1 2018 Malibu Hybrid fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.
PERFORMANCE

2.0L TURBO ENGINE WITH 9-SPEED AUTOMATIC TRANSMISSION

250 HORSEPOWER
260 LB.-FT. TORQUE

2.0L TURBO ENGINE. Those who crave exhilaration will not be disappointed. Try a 2.0L turbocharged engine with 250 horsepower and 260 lb.-ft. of torque—numbers that will push you back in your seat. Quick, seamless shifts come courtesy of a new 9-speed automatic transmission. And while performance is the first thing you’ll notice, with a city fuel consumption rating of 10.5 L/100 km\(^1\) and a highway fuel consumption rating of 7.4 L/100 km\(^1\), it will certainly put a smile on your face. Standard on Premier.

1.5L TURBO ENGINE. Powerfully efficient is the perfect way to describe this engine, standard on L, LS and LT. Paired with a smooth-shifting 6-speed automatic transmission, the 1.5L turbo engine produces 163 horsepower and 184 lb.-ft. of torque, delivering performance you may not expect. There’s also intelligent stop/start technology that almost imperceptibly shuts off and starts up the engine in certain situations, helping to save fuel and improve efficiency. With fuel consumption ratings of 8.8 L/100 km\(^1\) city and 6.5 L/100 km\(^1\) highway, this is bound to get your attention.

WORKING WITH A STRONG CORE. Malibu features both press-hardened steel and ultra-high-strength steel, delivering a strong and lightweight body structure. The result: a mid-size sedan with excellent acceleration as well as nimble handling.

SUPERIOR SUSPENSION. The MacPherson strut front and 4-link independent rear suspension work together to deliver confidence and a feeling of control while cornering or manoeuvring through traffic. They also provide the comfortable ride that you desire.

RESPONSIVE HANDLING. Variable-effort Electric Power Steering (EPS) uses energy only when steering effort is applied. Balancing responsiveness and comfort, EPS feels light but agile, with greater assistance at low speeds and tighter control on the highway.

\(^{1}\) 2018 Malibu fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

Available tilt/sliding power sunroof with express-open feature, sunshade and additional fixed rear skylight.

Leather and Convenience Package, available on LT and Hybrid, includes heated driver and front-passenger seats, power 6-way adjustable front-passenger seat with power lumbar control and Bose® 9-speaker premium audio system.
## SELECT VEHICLE FEATURES

### MALIBU L
Malibu L includes these standard features:
- 163 hp 1.5L turbo DOHC I-4 engine with Direct Injection and Variable Valve Timing (VVT) with Auto Stop/Start engine feature
- 6-speed automatic transmission
- 4-wheel disc brakes with Duralife® brake rotors, ABS, Brake Assist, cornering brake control and Hill Start Assist
- StabiliTrak® Electronic Stability Control System and traction control

### MALIBU LS
Malibu LS enhances L features with:
- 16-in. aluminum wheels
- Acoustic-laminated windshield and front-side glass
- Rear vision camera
- Chevrolet MyLink® Radio infotainment system with 7-in. touch-screen display
- Teen Driver technology
- Bluetooth® wireless audio streaming
- Exterior temperature and compass display
- Covered vanity mirrors with extensions
- OnStar 4G LTE with built-in Wi-Fi® hotspot for up to seven devices, includes data trial for 3 months or 3 GB (whichever comes first).

### MALIBU LT
Malibu LT enhances LS features with:
- 17-in. aluminum wheels
- LED daytime running lamps
- Heated, power exterior mirrors with integrated turn signals, body-colour
- Remote vehicle starter system
- Auto-dimming interior rear-view mirror
- Illuminated vanity mirrors with extensions
- Leather-wrapped steering wheel and shift knob
- Driver Information Centre with colour display
- Power 8-way driver-seat adjuster with power lumbar adjuster
- Interior ambient lighting system
- Floor console with rear air vents
- Chevrolet MyLink® Radio infotainment system with 8-in. colour touch-screen display
- SiriusXM™ 3-month trial with SiriusXM Streaming
- 120-volt AC power outlet, located in rear of centre console
- Two charge-only USB ports® in rear of centre console
- Wireless charging station®

### MALIBU HYBRID
Malibu Hybrid enhances LT features with:
- 1.8L DOHC I-4 engine with Hybrid electric propulsion system
- Low Speed Forward Automatic Braking
- Front Pedestrian Braking
- Forward Collision Alert and Following Distance Indicator
- IntelliBeam automatic high beam on/off
- Lane Keep Assist with Lane Departure Warning
- Lane Change Alert with Side Blind Zone Alert
- Front and Rear Park Assist
- Rear Cross Traffic Alert
- Hybrid-specific instrument cluster
- Dual-zone automatic climate controls

### MALIBU HYBRID
Malibu Hybrid enhances LT features with:
- 1.8L DOHC I-4 engine with Hybrid electric propulsion system
- Low Speed Forward Automatic Braking
- Front Pedestrian Braking
- Forward Collision Alert and Following Distance Indicator
- IntelliBeam automatic high beam on/off
- Lane Keep Assist with Lane Departure Warning
- Lane Change Alert with Side Blind Zone Alert
- Front and Rear Park Assist
- Rear Cross Traffic Alert
- Hybrid-specific instrument cluster
- Dual-zone automatic climate controls

### MALIBU PREMIER
Malibu Premier enhances LT features with:
- 250 hp 2.0L turbo DOHC I-4 engine with Direct Injection and Variable Valve Timing (VVT)
- 9-speed automatic transmission
- 18-in. aluminum wheels
- LED tail lamps
- Chrome door handles with body-colour insert
- Dual-outlet exhaust with polished tips
- Bright sill plates
- Dual-zone automatic climate controls
- Heated steering wheel
- Perforated leather-appointed seating with heated and ventilated front bucket seats
- Driver side 2-position memory
- Power 6-way front-passenger seat adjuster with power lumbar adjuster
- Chevrolet MyLink® Radio with Navigation® and 8-in. touch-screen display
- 9-speaker Bose® premium audio system
- Trunk mat.

1 Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. 2 Does not detect people or items. Always check rear seat before exiting. 3 Visit onstar.ca for vehicle availability. Services and connectivity vary by model, conditions as well as geographical and technical restrictions. Requires active OnStar service and data plan. Data plans provided by AT&T or its local service provider. 4 The OnStar Basic Plan is available on eligible new vehicles for 5 years and is transferrable to subsequent owners for the remaining term. It includes the monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T or its local service provider. 5 Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. 6 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 7 Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM “Terms & Conditions” and complete details at siriusxm.ca/terms. 8 Not compatible with all devices. 9 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. 10 At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

¹ Always use safety belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner’s Manual and the child safety seat instructions for more safety information. ² Included and only available with LT True North Edition. ³ Included and only available with Premier Sport Package or Premier True North Edition. ４ Included and only available with Driver Confidence Package II and Premier True North Edition. ⁵ Visit onstar.ca for vehicle availability. Services and connectivity vary by model, conditions as well as geographical and technical restrictions. Requires active OnStar service and data plan. Data plans provided by AT&T or its local service provider. ⁶ Included and only available with LT True North Edition or Sport Package. ⁷ Included and only available with Redline Edition. ⁸ All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the “winter tire” symbol may be required for certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS¹⁰
- GM Protection Plan (GMPP) — the only extended service plan backed by the resources and commitment of General Motors, GMP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- Chevrolet Certified Service — to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service — found exclusively at your Chevrolet dealer — is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre — as an owner, take advantage of the Chevrolet Owner Centre. This online owner’s destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at mychevrolet.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE
- Purchase Financing and Leasing — on-the-spot financing; see dealer for full details.
- GM Student Bonus Program — students or recent graduates of high school, college or university¹³ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of $500 or $750¹⁸ (tax inclusive) (purchased vehicle dependent) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- GM Card¹⁴ — Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcard.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:
- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE
Some of the equipment shown or described throughout this brochure may be available at extra cost.
We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES
Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

TRADEMARKS The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Malibu and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Chevrolet Shop, Duraflex, Find New Roads, IntelliBeam, myChevrolet, MyLink, OnStar, the OnStar emblem and StabiliTrak are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors.
