

EQUINOX 2019

CHEVROLET

Equinox Premier in Cajun Red
Tintcoat (extra-cost colour)
with available features.

EVERYTHING YOU NEED FOR EVERYWHERE YOU WANT TO GO.

The award-winning Equinox is more than the perfect balance between design and technology. It's also the "Most Dependable Compact SUV in the U.S.," according to J.D. Power¹ (award based on 2015 model).

From any angle, the sculpted exterior makes a stunning statement. Within a wonderfully spacious and refined interior, intuitive technology keeps you seamlessly connected and entertained.

Equinox offers a choice of three turbocharged engines that deliver the performance and efficiency you need for the daily drive or a weekend getaway. And available advanced safety technologies can help enhance your confidence on any road.

In the Canadian Dream, experiences make us richer. That's why Chevrolet develops SUVs like the 2019 Equinox, with the versatility to help you make the most of any adventure.

¹ The Chevrolet Equinox received the lowest number of problems per 100 vehicles among Compact SUVs in the J.D. Power 2018 U.S. Vehicle Dependability Study, based on 36,896 total responses, measuring problems experienced during the past 12 months by original U.S. owners, surveyed October–December 2017. Your experiences may vary. Visit jdpower.com/cars.

FIND *NEW* ROADS™

EXTERIOR DESIGN

YOUR INVITATION TO INDULGE.

SCULPTED STYLE. With its unparalleled balance of sportiness and sophistication, Equinox will command attention on any road. The chrome-accented grille (with additional chrome bars on Premier) adds upscale distinction.

Equinox Premier in Cajun Red Tintcoat (extra-cost colour) with available features.

1. FOR A BETTER VIEW. Power-adjustable, heated exterior mirrors with integrated turn signal indicators are available on LT and standard on Premier.

2. YOU'LL GET NOTICED. Equinox Premier features LED tail lamps that offer crisp, ultra-bright illumination. These tail lamps are also included on LT with the available Lights and Bright Package.

3. HIGH-INTENSITY LED LIGHTING. Ultra-contemporary lighting – LED daytime running lamps on all models plus LED headlamps on Premier models – sets a bold tone.

4. CHROMED DUAL-OUTLET EXHAUST. Premium details such as these chromed exhaust outlets set Equinox apart from the status quo. Included with the available 2.0L engine on LT and Premier.

Equinox Premier interior in Brandy with Jet Black accents and available features.

¹ Does not detect people or items. Always check rear seat before exiting.

SIT BACK AND ENJOY. Equinox is one indulgent crossover, with ample room for five passengers. Rear seatbacks can be placed in two positions – fully upright or slightly reclined – via an easy-to-reach manual lever.

DON'T FORGET YOUR LAPTOP. Rear Seat Reminder¹ activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine under

certain conditions, you will get a reminder to double-check for valuables left behind.

ELEGANT APPOINTMENTS. From bright finishes such as Galvano chrome to soft ambient lighting, Equinox Premier has the style you're seeking. And the Premium Cloth on LS and LT models, and perforated leather appointments on Premier, will make you feel like it's crafted just for you.

FREEDOM FROM THE START.

Your morning balancing act of keys and coffee just got easier. Standard Keyless Open and Start provides a simple way to get going.

HEATED AND VENTILATED SEATS.

With the touch of a button, Equinox Premier lets you enjoy the customized comfort of heated or available ventilated driver and front passenger seats. The added luxury of heated rear outboard seats is available on Premier models.

PERSONALIZED SETTINGS. Memory settings on the driver door can be programmed to adjust the driver seat and mirror positions for two different drivers. Standard exclusively on Premier.

TECHNOLOGY

1. myChevrolet® MOBILE APP! Simply download the app to your compatible smartphone and with an eligible active service plan² and a properly equipped vehicle, you can start or turn off your engine,³ lock or unlock your doors,³ send destinations to your available navigation⁴ system, view key vehicle diagnostic information,⁵ set parking reminders and more.

2. Apple CarPlay® COMPATIBILITY. With Apple CarPlay,⁶ you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your Equinox radio display.

3. BETTER DRIVING HABITS. Perfect for new drivers, standard Teen Driver technology⁷ helps encourage better driving habits in a number of ways, like providing an in-vehicle report card that monitors the frequency of select available safety tech features when they are activated, muting the audio system when front-seat occupants aren't wearing their seat belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

4. INSIDE INFORMATION. The available multi-colour Driver Information Centre provides info you need like speed and trip/fuel information. And if you opt for the Chevrolet Infotainment 3 Premium System⁸ with Connected Navigation,⁹ it can even note the posted speed limit of the road you're travelling.

¹ Available on select Apple and Android devices. Service availability, features and functionality are subject to limitations and vary by vehicle, device and the plan in which you are enrolled. Device data connection required. Visit onstar.ca for more details. ² Requires subscription to Remote Access Plan or Premium Access Plan. Remote Access Plan does not include emergency or security services. Services are subject to user terms and limitations, and vary by vehicle model. Visit onstar.ca for more details. ³ Unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. Visit onstar.ca for more details. ⁴ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁵ Diagnostic capabilities vary by model and do not cover all vehicle conditions. Additional message and data rates may apply. Requires email address on file and enrollment in Vehicle Diagnostics. ⁶ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁷ Read the vehicle Owner's Manual for important feature limitations and information. ⁸ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ⁹ Requires subscription to OnStar Guidance Plan, Premium Access Plan or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations and vary by vehicle model. Visit onstar.ca for more details.

Equinox Premier interior in Brandy with Jet Black accents and available features.

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ² Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi hotspot. Accessory Power must be active to use the Wi-Fi hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. ³ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ⁴ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit mychevrolet.ca for details.

ON-COMMAND CONNECTIVITY. With the standard Chevrolet Infotainment 3 System¹, you can easily handle calls, play music and access contacts from your compatible smartphone via the colour touch-screen display or through voice commands.

Wi-Fi[®] IN YOUR EQUINOX. Chevrolet offers an available built-in 4G LTE Wi-Fi[®] hotspot² (data plan required) providing a fast Internet connection for up to seven compatible devices.

EASY SMARTPHONE CONNECTION. With Android Auto^{™3} compatibility, you can interact with select smartphone apps. This system takes some of your compatible Android[™] phone's features and puts them on the touch-screen display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

STAY CHARGED UP. Standard on Premier, a convenient wireless charging⁴ station lets you keep your cellphone powered up while you're on the go.

VERSATILITY

LOTS OF CARGO SPACE. When you need to transport larger items, Equinox excels. With the rear seats folded, a virtually flat load floor is created with up to 1798 L (63.5 cu. ft.) of cargo capacity.¹

PLACES FOR EVERYTHING. You've got stuff and Equinox has places to put it. In addition to the LED-lit centre console compartment, you'll find dedicated storage for a mobile phone, four cupholders, map pockets and a flip-down compartment for sunglasses.

KEEP YOUR CARGO IN PLACE. Conveniently placed cargo hooks, standard on all models, elevate Equinox functionality even further.

THOUGHTFULLY DESIGNED SEAT RELEASE. For added convenience, rear-seat release levers on LT and Premier models are located on the passenger side of the cargo area.

¹ Cargo and load capacity limited by weight and distribution.

1

2

3

4

1. HANDS-FREE POWER LIFTGATE.

Open and close the liftgate simply by using a kicking motion under the rear bumper. It's so nice to have when you've got your hands full. Standard on Premier.

2. PROGRAMMABLE LIFTGATE.

The power liftgate features a programmable memory height that can be set for easy reach or to accommodate areas with low ceilings. Available on LT and standard on Premier.

3. A PLACE FOR YOUR UMBRELLA.

Weather the storm with umbrella storage in both front door pockets. There's also bottle storage in all four doors.

4. SECRET STORAGE. An easy-to-access compartment beneath the rear load floor, which provides up to an additional 79 L (2.8 cu. ft.) of storage¹, is a great place to keep valuables such as laptops or purses out of sight.

¹ Cargo and load capacity limited by weight and distribution.

SAFETY STARTS WITH YOU. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

AVAILABLE ADVANCED SAFETY TECHNOLOGY HELPS YOU COVER THE ANGLES.

ADAPTIVE CRUISE CONTROL – CAMERA.

Available on Premier, this feature uses a forward-looking camera and can automatically adapt your cruise control speed in order to maintain a driver selected following gap to vehicles detected ahead while you steer, reducing the need for the driver to frequently brake and accelerate.

FRONT PEDESTRIAN BRAKING. If the system detects that a pedestrian is directly ahead and a collision is imminent, and the driver has not already applied the brakes, the system alerts the driver and may even automatically apply the brakes to help the driver avoid or reduce the harm caused by the collision. Performance is limited at night. Available on Premier.

LOW SPEED FORWARD AUTOMATIC

BRAKING. If the vehicle is travelling at a low speed and the system detects that a front-end collision situation is imminent while following a detected vehicle and the driver has not already applied the brakes, the system can automatically apply the brakes to help reduce the collision's severity. The system may even help avoid a collision at very low speeds. Available on Premier.

FORWARD COLLISION ALERT.

This available feature is designed to monitor how close your vehicle is to a detected vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it is designed to alert the driver to a potential crash. It can also warn the driver if their Equinox is following a detected vehicle much too closely.

INTELLIBEAM HEADLAMPS.

When oncoming headlamps are sensed or when tail lamps are detected in front of the vehicle, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING.

This camera-based system monitors road lines and can provide gentle steering wheel turns (and Lane Departure Warning alerts if necessary) to help drivers avoid unintentionally drifting out of their detected lane when they are not actively steering and their turn signal is not activated. Available on Premier.

AVAILABLE LANE CHANGE ALERT WITH SIDE

BLIND ZONE ALERT. Radar sensors in the rear corners of the vehicle are designed to help detect fast-approaching vehicles in the adjacent lanes as well as moving vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence.

REAR VISION CAMERA. When the transmission is in Reverse, the Rear Vision Camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the centre stack. So it's easier to back up or park.

REAR PARK ASSIST. This feature is designed to alert the driver, when in Reverse, by sounding an audible alert and providing visual indication on the Rear Vision Camera display when it detects certain stationary objects in close proximity behind the vehicle. Standard on Premier, available on LT.

REAR CROSS TRAFFIC ALERT. Using radar sensors, this available feature is designed to alert the driver to crossing traffic behind Equinox when in Reverse. Audible warnings, as well as visual alerts on the Rear Vision Camera screen, are triggered if approaching vehicles are detected. Standard on Premier, available on LT.

HD SURROUND VISION. Available on Premier, this feature can help you parallel park and manoeuvre at low speeds into tight garage spaces with ease. HD Surround Vision gives you a virtual bird's-eye view of your Equinox on the 8-in. diagonal colour touch-screen. The system is made up of four high-definition cameras — a Rear Vision Camera, a forward-looking camera in the front grille and one under each side mirror of the vehicle. All camera viewpoints simultaneously merge to transmit a clear side-by-side digital image to the display screen, helping you to see the areas behind or in front and around you. Several additional views are also available.

SAFETY ALERT SEAT. This available seat uses directional vibration pulses from the driver seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other available onboard crash avoidance systems.

UNIQUELY CANADIAN

**STANDARD REMOTE START AND HEATED FRONT SEATS
ARE UNEXPECTED CONVENIENCES.**

Equinox Premier in Nightfall Grey Metallic (extra-cost colour) with available 2.0L turbo engine and other available features.

DESIGNED FOR THE WORLD YOU LIVE IN.

Equinox is specifically engineered and designed for the extremes of northern climates we experience in Canada. Enjoy the comfort and convenience of heated front bucket seats, heated exterior rear-view mirrors and a remote vehicle starter system, all standard on every 2019 Equinox.

LT TRUE NORTH EDITION. Take Equinox LT to an even higher level with the available and exclusive-to-Canada LT True North Edition. In addition to all Confidence & Convenience Package features, the LT True North Edition includes the

Chevrolet Infotainment 3 Plus System¹ with 8-in. diagonal HD colour touch-screen display and Connected Navigation²; HD Rear Vision Camera³; SD card reader, 120-volt AC power outlet and power sunroof.

PREMIER TRUE NORTH EDITION.

The Premier True North Edition includes all the features of the Confidence & Convenience II Package, plus the Chevrolet Infotainment 3 Premium System¹ with Connected Navigation²; Bose premium sound system and 19-in. Ultra Bright machined-aluminum wheels.

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ² Requires subscription to OnStar Guidance Plan, Premium Access Plan, or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations, and vary by vehicle model. Visit onstar.ca for more details. ³ Read the vehicle Owner's Manual for important feature limitations and information.

1. ENJOY EVERY MOMENT. Capture the sky and put some wind in your hair. A panoramic power sunroof with power sunshade gives everyone a wide-open view. Included and only available on LT True North Edition and Premier True North Edition.

2. ALL-WEATHER COMFORT. Heated front bucket seats are standard on all models. Available on Premier is the added luxury of heated rear outboard seats and a heated steering wheel.

3. POWER UP. There are six total USB ports¹, including two USB ports¹ inside the centre console. You'll also find two charge-only ports¹ at the rear of the centre console, along with an available 120-volt AC power outlet. Included on LT with the available LT True North Edition or Redline Edition, standard on Premier.

¹ Not compatible with all devices.

PERFORMANCE

Equinox Premier in Summit White
with available 1.6L Turbo-Diesel
engine and other available features.

1.6L TURBO-DIESEL

AVAILABLE

AS LOW AS

6.0

L/100 KM HIGHWAY¹

240

LB.-FT.
OF TORQUE

A TRIO OF TURBOS. The exhilaration for Equinox comes with the power of three. Choose from a 1.5L turbo, an available 2.0L turbo or an available 1.6L Turbo-Diesel, each one designed to bring you the power and torque you need for your daily drive or a weekend getaway.

HIGH-TORQUE 1.6L TURBO-DIESEL. With stop/start technology, this efficient engine is ideal for those long daily commutes. The turbocharger helps provide loads of low-end torque with a healthy peak of 240 lb.-ft. at only 2000 rpm for impressive passing and merging power.

6-SPEED AUTOMATIC TRANSMISSION. Tuned for quick launch feel and fuel-efficient cruising, the 6-speed automatic perfectly complements the turbo-diesel engine. Automatic Grade Braking may reduce the need to brake during a hill descent.

¹ Equinox LT FWD with available 1.6L Turbo-Diesel engine highway fuel consumption estimate is 6.0 L/100 km and city fuel consumption estimate is 8.5 L/100 km. Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

Equinox Premier in Nightfall Grey
Metallic (extra-cost colour)
with available 2.0L turbo engine
and other available features.

1 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

1.5L TURBO ENGINE. This turbocharged 4-cylinder engine uses the technologies of Continuously Variable Valve Timing and Direct Injection to deliver responsive performance with unexpected efficiency. It puts 170 horsepower at your command, along with 203 lb.-ft. of torque.

STOP/START ENGINE TECHNOLOGY.

Standard on every Equinox, this fuel-saving technology automatically shuts down the engine as you come to a stop under certain driving conditions, such as at a stoplight. The engine seamlessly restarts when you take your foot off the brake.

CAPLESS FUEL SYSTEM. An ingenious capless fuel system is something you'll appreciate every time you fill up. Behind the fuel-filler door, a small spring-loaded door replaces the traditional screw-on gas cap. Included on Equinox models with 1.5L and 2.0L engines only.

SWITCHABLE ALL-WHEEL DRIVE (AWD).

This system, standard on Premier and available on LS and LT, helps enhance traction and control on slippery or snow-covered roads. Conveniently, you can leave switchable AWD on year-round, since the rear wheels only engage when

the system senses reduced traction. In FWD mode, the system disengages AWD components for greater fuel efficiency.

2.0L TURBO ENGINE. The available 252-horsepower 2.0L turbocharged engine takes performance to an even higher level. The turbocharger generates up to 138 kPa (20 psi) of boost for the torque you'd normally expect from a larger-displacement engine.

9-SPEED AUTOMATIC TRANSMISSION.

Available exclusively with the 2.0L turbocharged engine, the highly advanced

9-speed automatic is designed to help keep the engine operating at near peak efficiency. Shifts are smooth and precise due to the advanced controls and small ratio steps.

TOW UP TO 1588 kg (3500 lb.)¹

Bring on the jet skis, small camper or boat. Trailer Sway Control, Hill Start Assist with Automatic Vehicle Hold and a factory-installed Towing Package are all included with the available 2.0L turbocharged engine.

SPECIAL FEATURES

Equinox Redline Edition, shown in Silver Ice Metallic, includes Black-painted 19" aluminum wheels with Red hash marks, Black Equinox badges with Red outline, and Black mirror caps, door trim, grille and Chevrolet bowtie emblems. Available on LT.

Premium All-Weather Floor Liners available from Chevrolet Accessories.

Rear-Seat Infotainment System with optional DVD player available from Chevrolet Accessories.

SELECT VEHICLE FEATURES

EQUINOX LS	Equinox LS includes these standard features:
170 hp 1.5L turbo DOHC I-4 engine with Direct Injection and Variable Valve Timing (VVT) with Auto Stop/Start engine feature	
Oil life monitoring system	
6-speed automatic transmission with manual mode and Driver Shift Control	
4-wheel disc brakes with Duralife® brake rotors, Anti-lock Braking System (ABS), Brake Assist and Hill Start Assist	
StabiliTrak® Electronic Stability Control System	
Traction control	
4-wheel independent suspension	
17-in. painted-aluminum wheels (RSB)	
Battery run-down protection system	
LED daytime running lamps	
Active aero shutters	
Heated power exterior mirrors, Black caps	
Body-colour door handles	
Rear Vision Camera¹	
Keyless Open and Start with extended-range remote keyless entry	
Remote vehicle starter system	
Programmable content theft alarm with audible and visual alerts	
Airbags²: Frontal airbags for driver and front passenger; Seat-mounted side-impact airbags for driver and front passenger; Head-curtain airbags for front and rear outboard seating positions; Includes front Passenger Sensing System for frontal passenger airbag	
Driver Information Centre with monochromatic 3.5-in. display	
Tire pressure monitoring system with Tire Fill Alert (excludes spare tire)	
Air conditioning, semi-automatic single-zone	
Power windows and programmable door locks	
Child-security rear door locks, manual	
Tilt and telescopic adjustable steering column	
Cruise control	
Steering wheel-mounted Bluetooth®,³ cruise and audio system controls	
Sunshades with illuminated vanity mirrors	
Premium Cloth seating surfaces	

EQUINOX LS (CONTINUED)
Heated front bucket seats
60/40 split-folding rear seats with centre armrest
Front and rear carpeted floor mats
Chevrolet Infotainment 3 System⁴ with 7-in. colour touch-screen display
6-speaker audio system
Teen Driver technology¹
Rear Seat Reminder⁵
Bluetooth®³ hands-free phone connectivity and wireless audio streaming
USB ports⁵; two, and auxiliary audio input jack located in centre stack storage area
USB charge-only ports⁶; two, located on rear of centre console
1-month trial of Chevrolet Connected Services and OnStar Safety & Security Plan coverage⁷
Chevrolet Connected Access⁸ with 10 years of standard connectivity, which enables services such as Vehicle Diagnostics⁹; Dealer Maintenance Notification⁹ and more
Built-in 4G LTE Wi-Fi® hotspot¹⁰; includes 1-month or 3 GB data plan trial (whichever comes first) from vehicle delivery date

EQUINOX LT	Equinox LT enhances LS features with:
High-Intensity Discharge (HID) headlamps	
Heated, power exterior mirrors, body-colour caps	
Deep-tinted glass behind front doors	
Driver Information Centre with 4.2-in. multi-colour display	
Sunglass storage in overhead console	
Power 8-way driver-seat adjuster with power lumbar adjuster	
Second-row seat release levers in cargo area	
SiriusXM® Radio ¹¹ 3-month trial subscription	

EQUINOX PREMIER	Equinox Premier enhances LT features with:
Switchable all-wheel drive	
LED headlamps	
Fog lamps	
Chrome door handles with body-colour strip	
Heated, power exterior mirrors with turn signal indicators, chrome caps and driver-side auto-dimming mirror	
18-in. machined-face aluminum wheels with painted pockets (RV6)	
Roof-mounted side rails	
Lane Change Alert with Side Blind Zone Alert¹	
Rear Cross Traffic Alert¹	
Rear Park Assist¹	
Programmable power rear liftgate – hands-free	
LED tail lamps	
HD Rear Vision Camera¹	
Dual-zone automatic climate controls	
Auto-dimming interior rear-view mirror	
Universal home remote programmable transmitter	
Leather-wrapped steering wheel with Bluetooth®,³ cruise and audio system controls	
Perforated leather-appointed seating surfaces	
Driver-side 2-position memory	
Interior ambient lighting on instrument panel	
Chevrolet Infotainment 3 Plus System⁴ with 8-in. HD colour touch-screen display	
USB ports⁵; two, and auxiliary audio input jack located in floor console storage area	
USB data ports⁶; two located in front console storage bin	
120-volt AC power outlet, located on rear of centre console	
Wireless charging station¹²	

¹ Read the vehicle Owner's Manual for important feature limitations and information. ² A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. ³ Visit mychevrolet.ca to find out which phones are compatible with the vehicle. ⁴ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ⁵ Does not detect people or items. Always check rear seat before exiting. ⁶ Not compatible with all devices. ⁷ Includes navigation services, Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial from the vehicle delivery date. Data plan provided by AT&T or its local service provider. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Visit onstar.ca for more details. Availability subject to change. ⁸ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Compatible 4G LTE wireless coverage required. See onstar.ca for details and limitations. ⁹ Capabilities vary by model. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts or notifications. See onstar.ca for details and limitations. ¹⁰ Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi hotspot. Accessory Power must be active to use the Wi-Fi hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. ¹¹ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ¹² The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit mychevrolet.ca for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁸

- Chevrolet Protection Plan – the only extended service plan backed by the resources and commitment of General Motors. The Chevrolet Protection Plan may be purchased at the time of sale or subsequently during the Base Warranty Coverage period⁹
- Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at mychevrolet.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details.¹⁰
- GM Student Bonus Program – students or recent graduates of high school, college or university¹⁰ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁸ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- GM Card[®] – Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcad.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)**.

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

TRADEMARKS The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Equinox and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Duralife, Find New Roads, IntelliBeam, myChevrolet, OnStar, the OnStar emblem and StabiliTrak are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors.
